The purpose of this modification is to add Executive Order (EO) 13423, Strengthening Federal Environmental, Energy, and Transportation Management as follows:

A. Section H: The following Special Contract Requirement is hereby added :

"H.23 Strengthening Federal Environmental, Energy, and Transportation Management

The contractor shall assist DOE through direct participation and other support in achieving DOE's energy efficiency goals and objectives in electricity, water, and thermal consumption, conservation, and savings, including goals and objectives contained in Executive Order 13423, Strengthening Federal Environmental, Energy, and Transportation Management. The Contractor shall maintain and update, as appropriate, its documents to include detailed plans and milestones for achieving site-specific energy efficiency goals and objectives. With respect to this paragraph, the plan shall consider all potential sources of funds, in the following order: 1) the maximum use of private sector, third party financing applied on a life-cycle cost effective basis, particularly from Energy Savings Performance Contracts and Utility Energy Services Contracts awarded by DOE; and 2) only after third-party financing options are evaluated, in the event that energy efficiency and water conservation improvements cannot be effectively incorporated into a private sector financing arrangement that is in the best interests of the Government, then DOE funding and funding from overhead accounts can be utilized."

B. Section J, List of Attachments, 1.2 – Portsmouth (List A): The following is hereby added
"Executive Order (EO) 13423, Strengthening Federal Environmental, Energy, and Transportation Management"
